

PERRY COUNTY COUNCIL
RESOLUTION NO. R-CC-19-1

A PRELIMINARY DECLARATORY RESOLUTION
DESIGNATING AN ECONOMIC REVITALIZATION AREA
AND FIXING A DATE, TIME AND PLACE FOR A PUBLIC HEARING
THEREON FOR THE INDIANA MUNICIPAL POWER AGENCY

WHEREAS, the Perry County Council of Perry County, Indiana, (the "Council") recognizes the need to stimulate growth and to maintain a sound economy within Perry County, Indiana (the "County"); and

WHEREAS, I.C. § 6-1.1-12.1-1(1) provides that certain areas which become undesirable for, or impossible of normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property may be considered an economic revitalization area (the "Economic Revitalization Area"); and

WHEREAS, I.C. § 6-1.1-12.1-2.5 empowers the Council to designate Economic Revitalization Areas by following a procedure involving adoption of a preliminary resolution declaring the area an Economic Revitalization Area, publication of a public notice and filing certain information with each taxing unit that has authority to levy property taxes in the geographic area, conducting a public hearing and adoption of a final resolution confirming or modifying and confirming the preliminary declaratory resolution; and

WHEREAS, the Council further recognizes that it would be beneficial to designate certain areas within the County in order to qualify as an Economic Revitalization Area for tax abatement purposes; and

WHEREAS, I.C. § 6-1.1-12.1 provides for tax abatement for rehabilitation or redevelopment of real property and/or installation of new manufacturing equipment in Economic Revitalization Areas; and

WHEREAS, the Indiana Municipal Power Agency (the "Applicant"), as the prospective purchaser of approximately 21 acres of property located at approximately 3860 Stalk Road, Tell City, Indiana, as more particularly illustrated in Exhibit A (the "Real Estate"), has filed a completed statement of benefits to the Council requesting that the Real Estate be designated as an Economic Revitalization Area for the purpose of achieving tax savings on personal property in connection with the following redevelopment project (hereinafter called the "Project") on the Real Estate to consist of the purchase of new manufacturing equipment; and

WHEREAS, the Real Estate on which the Project is planned to be placed is located within the jurisdiction of this Council for purposes of I.C. 6-1-1-12.1; and

WHEREAS, the Council has been requested by the Applicant to find, pursuant to I.C. § 6-1.1-12.1-2, that the Real Estate is an Economic Revitalization Area; and

WHEREAS, the Applicant plans to develop an electric generating facility consisting of new manufacturing equipment including solar photovoltaic panels, inverters and transformers, single axis tracking system, wiring, circuit breakers, relays and related equipment and facilities on the Real Estate, which will be interconnected with the electric distribution system of the City of Tell City; and

WHEREAS, the improvement of the Real Estate and installation of new manufacturing equipment used in the direct production, manufacture, fabrication, assembly, extraction, mining, processing, refining, or finishing of other tangible personal property would be to the benefit and welfare of all citizens and taxpayers of the County; and

WHEREAS, the Council has determined the Project will further and promote development objectives by making effective use of bypassed, vacant or underutilized land and the expansion of the property tax base through the purchase of new equipment with an estimated cost of approximately \$5,950,000 and which estimates are reasonable for the Project;

NOW, THEREFORE, BE IT RESOLVED by the Council that the Real Estate should be and is hereby declared to be an Economic Revitalization Area as defined and intended in I.C. §§ 6-1.1-12.1-1 through 6-1.1-12.1-6.

BE IT FURTHER RESOLVED, that the deduction allowed under I.C. § 6-1.1-12.1-4.5 pertaining to new manufacturing equipment shall be for ten (10) years upon compliance with the provisions of I.C. § 6-1.1-12.1-1 *et seq.*

BE IT FURTHER RESOLVED, that there shall be published and posted the notice of the adoption and substance of this Resolution in accordance with I.C. § 5-3-1, which notice shall name a date for the public hearing on this matter and that at the conclusion of said public hearing the Council may take final action on the proposed designation and may affirm, modify, or rescind this Resolution.

BE IT FURTHER RESOLVED, that the Applicant has filed a statement of benefits concerning the manufacturing equipment to be located on the Real Estate.

BE IT FURTHER RESOLVED, that upon the adoption of this Resolution, Applicant shall cause a copy of this Resolution to be filed with the Perry County Assessor and such other Perry County government officials as shall be necessary.

BE IT FURTHER RESOLVED, that upon the adoption of this Resolution, Applicant shall cause a copy of the public notice and statement of benefits to be filed with each taxing unit that has authority to levy property taxes in the geographic area where the Economic Revitalization Area is located at least ten (10) days ahead of the public hearing.

BE IT FINALLY RESOLVED, that if any part, parts, clause or portion of this Resolution shall be adjudged, invalid or unconstitutional, such invalidity or unconstitutionality shall not affect

the validity or constitutionality of this Resolution as a whole or any part, clause or portion of this Resolution.

RESOLVED AND ADOPTED, this 28th day of February, 2019, by the Council of Perry County, Indiana.
