

RESOLUTION NO. R-CC-14-8

**A RESOLUTION CONFIRMING THE ADOPTION OF A DECLARATORY
RESOLUTION DESIGNATING AN ECONOMIC REVITALIZATION AREA ON
APPLICATION OF INDIANA MUNICIPAL POWER AGENCY**

WHEREAS, the Perry County Council (“County Council”) has been requested by the Indiana Municipal Power Agency (“Applicant”) to find, pursuant to I.C. § 6-1.1-12.1, that the real estate described in the attached Exhibit “A” (“Real Estate”) is an Economic Revitalization Area; and

WHEREAS, on November 20, 2014, the County Council did adopt Resolution No. R-CC-14-6 (“Declaratory Resolution”) for the designation of the Real Estate described above as an Economic Revitalization Area; and

WHEREAS, notice of the adoption and substance of the Declaratory Resolution was published in accordance with I.C. § 6-1.1-12.1-2.5 and I.C. § 5-3-1 (“Public Notice”); and

WHEREAS, Applicant’s application for designation, description of the affected area, a map of the affected area, Statement of Benefits and all pertinent supporting data (collectively, the “Application”) were available for inspection in the County Auditor’s office of Perry County, Indiana (the “County”) and at the office of the County Assessor; and

WHEREAS, Applicant filed a copy of the Public Notice and Application with each taxing unit that has authority to levy property taxes in the geographic area where the Economic Revitalization Area is located at least ten days in advance of the public hearing; and

WHEREAS, the County bases the length of new manufacturing abatement periods upon such factors as the type of project, investment, and effect on the tax rate, and

WHEREAS, the County Council, after conducting a public hearing on this matter on December 18, 2014, has given careful consideration of all public comments and views expressed and written evidence presented regarding the designation of the Real Estate as an “Economic Revitalization Area”;

NOW, THEREFORE, BE IT RESOLVED, that the County Council enters its Findings of Fact and Order and adopts this Resolution under I.C. § 6-1.1-12.1, finding as follows:

1. The Real Estate is located within the jurisdiction of the County Council for purposes set forth in I.C. § 6-1.1-12.1.
2. The County Council has determined, based upon the Application and other information provided by the Applicant, that the Real Estate has become undesirable for or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property.

3. The Real Estate complies with the general standards established by the County Council for determining "Economic Revitalization Areas" within the jurisdiction of the County Council, as evidenced by the information provided by the Application.
4. The improvement of said Real Estate and installation of new manufacturing equipment used in the direct production, manufacture, fabrication, assembly, extraction, mining, processing, refining, or finishing of other tangible personal property would be to the benefit and welfare of all citizens and taxpayers of the County.
5. The estimate of the value of the redevelopment or rehabilitation is reasonable for projects of the nature proposed by the Applicant.
6. The County Council does not reasonably expect the Applicant's proposed described redevelopment or rehabilitation to result in any individuals who will be employed or whose employment will be retained from the proposed described redevelopment or rehabilitation, as the Applicant has submitted that no additional individuals will be retained or employed for the described redevelopment or rehabilitation. No annual salaries of individuals to be employed or retained are expected, and, thus, a variance from this expectation is unlikely.
7. There are other benefits that can be reasonably expected to result from the proposed described redevelopment or rehabilitation, which include enabling the County's residents to utilize renewable solar energy more fully in ways they cannot otherwise obtain without such development and the solar park will add to and enhance the diversification of the Applicant's and the County's renewable energy portfolio.
8. The Applicant, as a political subdivision of the State of Indiana, is exempt from property taxes, but Applicant is assessed and must make payments in lieu of taxes on real property and personal property used for generation facilities (the "PILOTs"), which are equal in amount to the property taxes that would otherwise be assessed, and which, pursuant to I.C. § 8-1-2.2-22, are treated in the same manner as taxes for purposes of all procedural and substantive provisions of law.
9. The Applicant is seeking a tax abatement with regard to the PILOTs related to the proposed redevelopment or rehabilitation the Applicant proposed.
10. The totality of the benefits is sufficient to justify the requested deductions.
11. That therefore the Application is hereby approved.

BE IT ALSO RESOLVED, that the deduction allowed under I.C. § 6-1.1-12.1-4.5 pertaining to new manufacturing equipment shall be for ten (10) years, upon the filing of the required deduction application in compliance with the provisions of I.C. § 6-1.1-12.1-1 *et seq.*, in accordance with the following schedule:

Year of Deduction (Tax Year Assessed)	Amount of Deduction
1 st (2016)	100%
2 nd (2017)	90%
3 rd (2018)	80%
4 th (2019)	70%
5 th (2020)	60%
6 th (2021)	50%
7 th (2022)	40%
8 th (2023)	30%
9 th (2024)	20%
10 th (2025)	10%

BE IT ALSO RESOLVED, that if any part, parts, clause or portion of this Resolution shall be adjudged invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of this Resolution as a whole or any other part, clause or portion of this Resolution.

BE IT ALSO RESOLVED, that by adoption of this Resolution, the County Council does confirm its Declaratory Resolution R-CC-14-6 approved and adopted on November 20, 2014, which designated the Real Estate as an “Economic Development Revitalization Area”.

BE IT ALSO RESOLVED, that the County Council approves the Applicant’s Statement of Benefits and Application.

BE IT FINALLY RESOLVED, that this Resolution shall be in full force and effect from and after passage by the County Council.

ADOPTED, this 18th day of December, 2014, by the Perry County Council, Perry County, Indiana.
